Credit Transfer and Regulations

- The maximum number of credits that can be transferred to Chulalongkorn University in one semester is twelve (12) or 4 courses.
- Students need to earn a grade of "C" (or equivalent) or better in order to get credits transferred. A cumulative GPA will not be calculated. An "S" or "Satisfactory" will be shown in the student's transcript. On the other hand, students who earned a grade lower than "C" (or equivalent), an "U" or "Unsatisfactory" will be shown in the transcript.
- Students are responsible for rechecking the minimum grade from partner universities that can be transferred to "S" on our website as well as checking with the host university for up-to-date information. The updated version means the latest version of grading system that you will receive on the host university transcript. Misreading is unacceptable excuse.
